MANPOWER SUPPLY

We are the one-stopshop for manpower requirements in Qatar for all major industrial sectors' general and technical service requirements.

Our aim is to add value to your business operations through the provision of skilled, experienced and proficient manpower.

We provide skilled and unskilled people on short- and long-term contract to align with your requirements, this allows you to flex your workforce to meet specific needs. Our presence on the ground and our proven track record puts Green Tag in a perfect position to respond immediately and effectively to our clients' needs. Our professionalism, Transparent and honest approach to customer relationships has defined Green Tag in the market as the first choice for your manpower needs.

Our candidates are usually experienced in their fields and are equipped with real life experience in the areas where they are deployed.

OVERSEAS RECRUITMENT

People are prime movers in any organization that is main reason most successful organizations make extra effort to hire and train the right people for the right jobs. Whether you are looking for a promising new career or an organization requiring custom-made HR solutions, we are there for your help at every step. Clients can depend on us for improving their performance and get tailored recruitment services with ease.

The unique requirements for overseas recruitment are fulfilled by our experienced and knowledge-driven consultants. We tune in with all the requirements and work professionally to understand your business genuinely. We do not only work on finding a job but navigate the industrial requirements intensely to fetch the required result. Overseas recruitment is the most typical one as it involves a profound reach in the array of industrial segments. We have obtained backup by making an in-depth research and work in giving opportunities and careers for a lifetime.

Green Tag is a proud partner of Al Meridian Ventures Limited registered with Uganda Chamber of Commerce as a Corporate member, Uganda Revenue Authority, Uganda Export Promotion Board, Uganda Registration Services Bureau.

We work professionally to give the most reliable agencies/companies in Africa, Asia, and Australia to meet the demands without making any compromise on the quality in case of huge requirements and capable of delivering on short notice.

We have deployed candidates from Uganda, Nepal, Kenya, India, Ghana, Nigeria, Bangladesh, and Tanzania to QSS, Fine Mattress, GSS-Certis, Maven Trading, United Security, Edge Engineering, Bin Arbaid Group of companies, Al Suwayed Group, SMS Shutdown etc. We assure the clients to provide affordable manpower resourcing solutions for local and overseas clients.

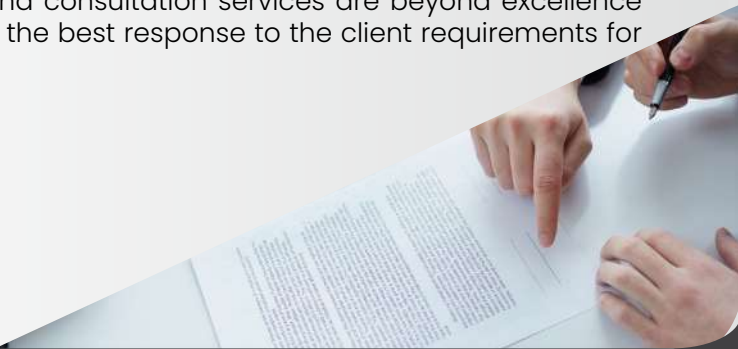

Our quality of services is high and we provide educated, trusted, and well-trained staff as per your requirements. We support the candidates through the recruitment process and follow an honest and transparent approach for establishing customer relationships defined with Green Tag as the first choice to fulfill the manpower requirements

GENERAL CONTRACTING AND CONSULTATION

Green Tag is a leading contracting company that provides high-quality and heavy construction services in the civil construction and real estate industry. We have a team of experts giving the best services and trusted consultation for every job regardless of the scope of the services.

We arrange the experienced staff for working on the infrastructural projects and work on the site development, underground utilities, landfills, bridge construction, reconstruction, demolition, and even the government agency projects. We work professionally to give high-quality service to our clients by striving to match the specific objectives as per their requirements at the different levels of construction.

Our general contracting and consultation services are beyond excellence and we assure you to give the best response to the client requirements for all the specific objectives.

GENERAL CLEANING SERVICES

We are currently one of the best cleaning services companies in Doha, QATAR. We provide cleaning services for both residential and commercial needs. We have worked hard over the years as a team and our bonding has resulted in making us the most professional cleaning service provider in our chosen territories of operation.

At Green Tag, we know how important cleanliness is for a cleaner air around us. The health benefits are profound if you live and work at a cleaner environment. Hence, we strive hard to achieving the perfect results for our valuable clients. This has earned us the title of being the most trusted cleaning service in town. We offer a perfect solution for this situation. We have a well-trained and experienced cleaning crew who know their job and are committed to achieving the desired results with at most detail and precision. Our most distinguishing feature includes going an extra mile for the perfect outcome. As soon as we receive a service order from you, we assign the task to the best-suited person from our team for the particular job.
